*Parties of six or more include a 20% gratuity.*

pFriem artisanal beers are symphonies of flavor and balance, influenced by the great brewers of Europe, but unmistakably true to our homegrown roots in the Pacific Northwest. We are guided by a religious commitment to quality and the never-ending pursuit of innovation. Although they are served humbly, each glass is overflowing with pride and a relentless aspiration to brew the best beer in the world.

On the corner of Main and Harrison Streets once stood an impressive schoolhouse. The schoolhouse was built in 1893 and had four rooms. In 1908, four more rooms were added, and it became a school for all twelve grades. The schoolhouse was eventually torn down, and the building that you are currently standing in, the Historic Milwaukie City Hall, was built in its place.

Dedicated on July 9, 1938, the building was a Moderne-style structure, designed by Portland architect Walter E. Kelly, and funded in part by a grant from the Public Works Administration. The building originally housed the fire department, public library, City offices, and “a large community center hall available for dancing and other forms of entertainment.” Today, it is home to pFriem Family Brewers and Keeper Coffee, as well as a community conference room.
