

CLASSIC

Toast any day with one of pFriem's Classic beers. Approachable and flavorful, these beers are the perfect reward for a long work day or a strenuous float down the river. Building on centuries of brewing, our Classic beer styles might be familiar, but their complexity will surprise you.

SELECT

Keep a few bottles of pFriem Select in your fridge to complement your next home-cooked boeuf bourguignon (or fish tacos) with the perfectly brewed pairing. Subtly complex, elegant and satisfying; these beers can make any meal sing or help you wind down the night once the meal is over.

BARREL AGED

Savor your special occasions with pFriem Barrel Aged beers. Aged from one to three years, these beers offer a wide complexity of flavors to add an extra something special to any momentous occasion. In fact, just drinking one of these beers might be reason enough to celebrate.
